

MAYOR

William J. VanSuch

Candidate for Mayor

I am William J. VanSuch, a candidate for Mayor, and a lifelong resident of the City, residing at 160 Camvet Drive. I have three wonderful children, Mrs. Kathi Klimis (Demetrius), Mrs. Chrissi Bonamase (Scott) and William J. VanSuch, Jr. (Genet). My children were all reared and educated in our city. I have six grandchildren Frankie, Nicole, Alexandria, Brooke, Isabella and Madison and one great grandchild, Gianna, who are my pride and joy. My beloved parents, Steve and Catherine VanSuch, are deceased.

I am an active member of St. Michael's Byzantine Catholic Church and I am presently serving as President of its Men's Civic Club. I am a member of the American Legion Post 560 where I am 1st Vice Commander. I am a Fourth Degree Knight in the Campbell Knights of Columbus Council 13466. I was an original organizer of the Campbell Little Red Devils. After graduating from Campbell Memorial High School in 1959, I served for eight years in the Ohio National Guard and was honorably discharged. My political career in Campbell has involved all areas of the city operations in both administrative and legislative branches. My involvement with our citizens in these various capacities has given me a special pride and devotion to my neighbors, friends and fellow civil servants.

Over the last few years, we have accomplished a great deal and completed many projects such as resurfacing, separated storm water from sanitary lines, improved drainage at Tenney Avenue and Struthers Liberty Road, cleared and demolished properties. This year the following projects will be completed: resurfacing of Buell Ave., Eastern Ave., and 16th Street from Blossom Ave to Hyatt Ave. Construction of a new road in Campbell Industrial Park, resolving drainage issues at the Roosevelt Park. I am excited to announce we obtained a \$740,000 grant for a new fire truck, of which the city's share is \$40,000.

In the few short months since I assumed the duties of Mayor I have had numerous meetings with Sherman International to create jobs for our town. Youngstown Pipe and Supply moved into the old Cold Metal Building and is generating tax dollars, we received a \$500,000 CHIP Grant, I negotiated with and ratified 3 year contracts with our 3 unions. Along with the Green Team, we hosted a tire and appliance drive for Campbell residents.

I have taken every problem seriously and will continue to do so. I will give all matters, large or small, the consideration needed to resolve them. I believe I have proven to be honest, capable and sincere in my efforts to serve you. Even though my position is part time, I have been a full time Mayor. My office doors are always open. Honesty and sincerity are the best representation I can and will give the citizens of the City of Campbell.

Your vote of confidence in me will be greatly appreciated. May God continue to guide me in all my decisions as your Mayor.

Voting is a privilege, serving you is Mine!!

Sincerely,

William J. VanSuch
